GRANDVIEW SUPPORTS LAKE GENEVA WINE FESTIVAL

The Lake Geneva Wine Festival, (September 6 - 9) was a celebration that delivered quality entertainment and an educational experience while benefiting local nonprofit organizations. Wine and culinary enthusiasts from the greater Chicago and Milwaukee areas, Illinois, Wisconsin and beyond gathered on the lakeshore campus of George Williams College to delight in the talents and tastings of acclaimed vintners and chefs.

During the festival, Executive Chef Scott Commings and The Grandview staff staged an exceptional Clos Pegase Wine Dinner. In addition to an exquisite 5-course dinner with selected wines, the event also featured Jan Shrem founder of Clos Pegase Winery, ex-publishing entrepreneur and renowned art collector.

The Lake Geneva Wine Festival supported Geneva Lakes YMCA, George Williams College of Aurora University and Holiday Home Camp.

COUNTRY WITH CHARACTER A WALWORTH COUNTY FALL EXTRAVAGANZA!

Rolling countryside, charming towns, posh resorts, a relaxing atmosphere and an abundance of attractions and outdoor activities combine to make Walworth County, Wisconsin an ideal destination for a quick getaway or overnight stay. And there's no better time to discover Walworth County than during **Country with Character**, a fall extravaganza taking place September 15 through October 28.

Chef Scott Commings is planning special menus for the "Country with Character" event.

Walworth County is flush with recreational activities, special events, festivals, nature areas, retail shopping, agricultural opportunities and one-of-a-kind attractions including Yerkes Observatory, the newly opened Black Point museum, the famed Geneva Lake shore path, East Troy Electric Railroad and Old World Wisconsin.

You can also take part in a special farm tour during **Country with Character** as area farms open their barn doors to visitors on select dates. To celebrate area agriculture, local chefs are planning special demonstrations and meals utilizing ingredients indigenous to Walworth County.

Whether its apple picking; exploring the magnificent estates in Lake Geneva; enjoying apple pie baked in a paper bag; riding the rails through the countryside on a restored electric street car or hitting the links, **Country with Character** offers a bushel of fall pursuits for all ages and interests.
